Job Role:

- Buying
- Merchandising
- Design
- Marketing
- Manufacturing
- Pattern Cutting
- Social Media
- Product Development
- Quality Control
- Account Management
- Importer
- Other

- We want to help your students get a great job which they thoroughly deserve
- We want to offer a personal support network to ensure your students have the capabilities to pass their degree
- We have an EQUAL interest in all fashion disciplines
- We are a place which you can guide and direct your students to, creating a community network
- We are the digital approach to CV building and offer a network facilitation platform which can work alongside a students degree

3. Student Support System

Example Profile

- We aim to support diversity in the Fashion Industry and reach out to those who may be at a disadvantage
- We share a strong sense of COMMUNITY on the platform, we want students to collaborate, not be in competition with each other
- We want to add value to work that is produced throughout University - *“no work is under the bed work”*
- This is an opportunity for students to grow in confidence and be prepared for what lies after University
- Each profile is flexible, but we encourage users to share as much information and work as they can, which wouldn't normally be shown on their CV

4. Business & Industry Exposure

“I love this idea! I do think companies have early talent high on their agenda and will lap this up.” - HR Manager, [very.com](https://www.very.com)

- We want to change attitudes towards Education and Business & Industry
- By having a profile from Year 1, students are encouraged to network and create contacts
- We believe no student should be thrown into the ‘deep end’ after University

5. Work Experiences Opportunities

- We want to provide as much support as possible in terms of offering work experience and boosting CV's
- There is an opportunity for Brand Ambassadors in each University, which could ultimately be a 3-year role
- Not only with these students gain experience in a real-time business, but can support them in getting a job in the future

BRAND AMBASSADORS WANTED

Are you heading to University to study fashion this September? Or are you a 2nd/3rd year student looking for some work experience?

We are looking for students around the UK who are nifty with social media to help spread the word on New Talent Fashion with your fellow peers.

NTF is the brand new, innovative approach to CV building, a digital way to connect you with fashion businesses all over the UK.

You will be offered 'Super-User' access to our website, with special recognition and exposure on the platform. You will also have the opportunity to be nominated for one of our awards at NTFA 2021.

If this sounds like the perfect role for you, please send us a little paragraph about you and your interests through to admin@newtalentfashion.co.uk or drop us an email with any questions!

There is plenty of room to grow with NTF, we look forward to hearing from you soon!

Students and Graduates of today are more valuable than ever in influencing the future of the fashion industry.

With your support, we can ensure that the future of fashion talent are celebrated.

Thank you
